L O V E love  
L.O V E

L O V E love  
L O V E

I see your face, I look in your eyes  
What you feel is no surprise  
Everyone needs somethin' to believe in

Tell me your dreams, I'll tell you mine  
In our hearts we'll look inside  
And see all the colors of the rainbow, I know

We all want to believe in love  
We all want to believe in something  
Bigger than just us

We all want to be a part  
Of the greater picture  
That's hanging in our hearts, our hearts  
Yeah, it's bigger than us

I want to see beyond my own little world  
Grab your hand so we can twirl around the galaxy  
See the world with clarity oh, oh

Oh, oh, we have such a long way to go

But I know we're getting closer every day  
Every day!

We all want to believe in love  
We all want to believe in something  
Bigger than just us

We all want to be a part  
Of the greater picture  
That's hanging in our hearts, our hearts  
Yeah, its bigger than us

It fills the universe

It lights the skies above  
It rescues all our hearts  
With love

L.O V E love, with love  
L.O V E love  
That's what's bigger than us  
Bigger than us, come on!

It's love, it's love that's bigger than us  
It's love, it's love that's bigger than us  
It's love, it's love  
It's love, it's love, it's love, it's love!

We all wanna believe in love  
We all wanna believe in something  
Bigger than just us
