Baby don't you know you're the one?  
Baby don't you know you're the one I need?  
So Won't you come on over here  
And give me the attention?  
You can start caressing, any kind of position  
Baby don't you know you're the one?  
Baby don't you know you're the one I need?  
So why don't you come on over here and give it to me?  
Baby, all you gotta do is breathe

Breathe on me  
Breathe on me  
Show me that you love me too  
'Cause I want you  
Breathe on me  
Breathe on me  
You don't even have to move  
Just breathe it through  
(All you gotta do is)  
Breathe on me  
Breathe on me  
I'm the one to give it too  
Just me and you  
Breathe on me  
Breathe on me  
Show me that you want me too  
'Cause I love you

Baby don't you know that you were meant for me?  
Baby don't you know that I'm the one that you need?  
I do whatever to please  
Let you see whatever you wanna see

Baby don't you know that you were meant for me?  
Baby don't you know that I am the one that you need?  
You can let yourself free  
I'll show you my teeth  
Just sit back and breathe

Breathe on me  
Breathe on me  
Show me that you love me too

'Cause I want you  
Breathe on me  
Breathe on me  
You don't even have to move  
Just breathe it through  
(All you gotta do is)  
Breathe on me  
Breathe on me

I'm the one to give it too  
Just me and you  
Breathe on me  
Breathe on me  
Show me that you want me too  
'Cause I love you

60 seconds in heaven  
60 seconds in heaven  
60 seconds in heaven  
60 seconds in heaven  
60 seconds in heaven  
60 seconds in heaven  
60 seconds in heaven  
60 seconds in heaven

We can play it all night, baby  
We can play it all night, baby  
(60 seconds in heaven)  
(60 seconds in heaven)  
We can play it all night, baby  
(60 seconds in heaven)  
We can play it all night, baby

Breathe on me  
Breathe on me  
Show me that you love me too  
'Cause I want you  
Breathe on me  
Breathe on me  
You don't even have to move  
Just breathe it through  
(All you gotta do is)  
Breathe on me  
Breathe on me  
I'm the one to give it too  
Just me and you  
Breathe on me  
Breathe on me  
Show me that you want me too  
'Cause I love you

60 seconds in heaven  
60 seconds in heaven  
60 seconds in heaven  
60 seconds in heaven  
60 seconds in heaven  
60 seconds in heaven  
60 seconds in heaven  
60 seconds in heaven
