All right
Here we go
Follow me now
Come on
Hit it

Everybody do your dance
Ain't nothing better
Than an all out jam
No ha

Are you ready for a little
Something new tonight
(Oh yeah)
I got a brand new step I think
You're gonna like
Come on boys

Gotta do like I do
Just follow my lead

Everybody let's chill
Do the ice cream freeze
Strike your pose
Then you do the milkshake
Shake it
Shake it down low

Do the snow cone slide
Left to right
Put your hands in the air
We can party all night

Do the ice cream freeze
(Whoa)
Strike your pose
(Hey)
Then you do the milkshake
Shake it
Shake it down low

Do the snow cone slide

Left to right
Put your hands in the air
We can party all night

Shake it
Shake it (2x)
Shake it (3x) down low
And do the ice cream freeze
Ha

All kinds of steppin'
Make you feel good
(Make you feel real good)
Tripple step butterfly
Sugar foot
(Sugar foot) (4x)

But Iâ€™m come in with a new thing
Itâ€™s what ya need
(Thatâ€™s right)
Now everybody wanna do the ice cream freeze
(Whohoo)
Come on boys

Gotta do like I do
Just follow my lead

Everybody let's chill
Do the ice cream freeze
Strike your pose
Then you do the milkshake
Shake it
Shake it down low

Do the snow cone slide
Left to right
Put your hands in the air
We can party all night

Do the ice cream freeze
Strike your pose
Then you do the milkshake
Shake it
(Shake it shake it down low)
Shake it down low

Do the snow cone slide
Left to right
(Left to right)
Put your hands in the air
We can party all night

Party all night

Can I hear someone say party
(Party)
We're just getting started
Whoa

Wanna take it from the top
Well you know I will
Now everybody let's chill
(Uh oh)
Lights camra freeze
(Yeah) (4x)
Everybody let's go

Do the ice cream freeze
Strike your pose
Then you do the milkshake
Shake it
Shake it down low

Do the snow cone slide
Left to right
Put your hands in the air
We can party all night

Do the ice cream freeze
(Oh)
Strike your pose
Then you do the milkshake
Shake it
Shake it down low
(Whoa)

Can you snow cone slide
Left to right
(Ha)
Put your hands in the air
We can party all night

(Do the ice cream freeze)
Do the ice cream freeze
(Do the ice cream freeze)
Then you do the milkshake
Shake it (5x)

(Snow cone slide)
And do the snow cone slide
(Do the snow cone slide)
Put your hands in the air

Go crazy
Everybody let's chill
