[DJ]

It's Miley Cyrus, teen pop sensation!!  
We go on the danceflo' tonight

[Verse 1]

I don't have nobody with me now,  
So baby, am I right or wrong?  
I wanna kick the ball around, so kipow!  
Unless you wanna sing me a song

Yeah

[Chorus:]

Don't pout, don't pout  
This is what it's all about  
Don't pout, don't pout  
Even though I'm always around  
So don't you pout

[Verse 2]

I don't wanna date, so don't try and ask me  
Cuz that's how I am and how I wanna be  
Since you came along, you singin' a song  
Even though I have no money, it's still find!

[Chorus:]

Don't pout, don't pout  
This is what it's all about  
Don't pout, don't pout  
Even though I'm always around  
So don't you pout

[Bridge]

Even though I don't wanna you to come, it's a bang  
bang bang bang!  
And even though you wanna act like this, it's a little bit  
of love

[Chorus:]

Don't pout, don't pout  
This is what it's all about

Don't pout, don't pout  
Even though I'm always around  
So don't you pout

[Chorus:]

Don't pout, don't pout  
This is what it's all about  
Don't pout, don't pout  
Even though I'm always around  
So don't you pout
