Do me a favor, tell me what you think about me
Tell me how you want this to be
Go out on a limb, and just dream
Paint a picture, choose your colors extra wise
Especially what you put on my mind
Imagine what it'd be like to touch the sky, yeah yeah
Whoa, you're thoughts are gonna pick me up
Do you know, it's good to feel too much?

Whoa, you got my head in the clouds
Whoa, you got me thinking out loud
The more you dream about me
The more that I believe
That nothing's ever out of reach
So dream, dream, dream

I breathe your visions
They pull me through the course of nights
They steer me towards that moment in time
When you show me what it means for you to be mine,
yeah
Whoa, you've given me the will to try
Do you know, that there's happy in these eyes?

Whoa, you got my head in the clouds
Whoa, you got me thinking out loud
The more you dream about me
The more that I believe
That nothing's ever out of reach
So dream, dream, dream

Ha, It's like my birthday
Everytime you look at me
It's like the best day
Everytime that you dream
Yeah yeah yeah
Whoa, your thoughts are gonna pick me up
Do you know, it's good to feel too much, much?

Whoa, you got my head in the clouds
Whoa, you got me thinking out loud
The more you dream about me

The more that I believe
That nothing's ever out of reach
So dream, dream, dream, dream

The more you dream about me the more that I believe
That nothing's ever out of reach
So dream, dream, dream, dream
