We both lie silently still in the dead of the night,  
Although we both lie close together,  
We feel miles apart inside,

Was it something I said or something I did,  
Did my words not come out right,  
Though I tried not to hurt you,  
Yeah I tried,  
But I guess that's why they say,

Every rose has it's thorn  
Just like every night has it's dawn  
Just like every cowboy sings his sad, sad song  
Every rose has it's thorn (Yeah it does)

I listen to our favorite song playing on the radio  
Hear the DJ say loves a game of easy come and easy  
go  
But I wonder, does he know  
Has he ever felt like this  
And I know that you'd be here right now  
If I, I could let you know somehow

Every rose has it's thorn  
(Every rose, every rose, every rose)  
Just like every night has it's dawn  
Just like every cowboy sings his sad, sad song  
Every rose has it's thorn

Though it's been a while now  
I can still feel so much pain  
Like a knife that cuts you the wound heals  
But the scar, that scar remains  
(Yeahh)

Every rose, every rose  
Every rose has it's thorn

I know I could saved a love that night  
If I'd known what to say  
Instead of makin' love  
We both made our separate ways

And now I hear you found somebody new  
And that I never meant that much to you  
And to hear that tears me up inside  
And to see you cuts me like a knife

Every rose has it's thorn (Every rose, every rose, every  
rose)  
Just like every night has it's dawn (has it's dawn)  
Just like every cowboy sings his sad, sad song  
(Every rose, every rose, every rose)  
Every rose has it's thorn (Yeah it does)
