love,it's a 4-lettered word
it is used rarely from me
I think your special
guys that I know

you'll say baby I'll hold you close
and you wont ditch me
for your friends
you are the guy that I need
and you should listen to me when I say

our love would be like a fairytale
the one that never ends
just like cind-er-ellie
or maybe beauty and the beast

we would be like pencil and paper
inseparable,invincible
baby can't you see

I was made for you
you were made for me
it's a love story

please believe me
when I say

our love is like a fairytale
the one that never ends
just like cind-er-ellie
or maybe beauty and the beast

we me and you you and I
we were meant to be
baby can't you see

our love is like a fairytale
the one that never ends
me and you,you and me
together for ever
inlove forever

were invincible to me
