In my Life, Once or Twice Again  
Chasin Fears with my Tears Falling

How could you do this to me  
I thought that we were meant to be  
you were my everything

And I wont fall apart  
even though everything you do just breaks my heart  
and when Im down  
don't come around  
you're with your babydoll,  
maybe thats why you dont call  
No more....  
Just walk out of that door

Broken Heart is now Apart of me  
This is not where i want to be

Your texts dont mean a thing  
what do u expect to see  
you're just a worthless being

And I wont fall apart  
even though everything you do just breaks my heart  
and when Im down  
don't come around  
you're with your babydoll,  
maybe thats why you dont call

No more....  
Just walk out of that door

Why are you standing here  
Telling me things that draw a tear  
why are you so near?

Living in this world together  
I thought we'd last forever  
you're making it so hard to say goodbye

Everything you do just lifts me up

even though we had that it wasn't enough  
Just leave me along  
Im fine on my own

And I wont fall apart  
even though everything you do just breaks my heart  
and when Im down  
don't come around  
you're with your babydoll,  
maybe thats why you dont call  
No more....  
Just walk out of that door

In my life once or twice again....
