These four walls,  
They whisper to me  
They know a secret  
I knew they would not keep

Didn't take long  
For the room to fill with dust  
And these four walls, came down around us

It must've been something, sent me out of my head  
With the words so radical,  
Not what i meant  
Now I'll wait for a break in the silence  
'Cause it's all that you left  
Just me and these four walls again

It's hard now to let you be  
I won't make excuses,  
I've made my peace

Didn't take long for me to lose the trust  
And these four walls, were not strong enough  
It must've been something sent me out of my head,

With the words so radical,  
Not what i meant  
Now I'll wait for a break in the silence  
'Cause it's all that you left  
Just me and these four walls again

Yeah  
It's difficult  
Watching us fade  
Knowing it's all my fault  
My mistake  
Yeah, and it's difficult  
Letting you down  
Knowing it's all my fault  
You're not around  
It must've been something sent me out of my head,  
With the words so radical,  
Not what i meant,

Now I'll wait for a break in the silence  
'Cause it's all that you left

Just me and these four walls again,  
Again, mmmm, oh, me and these four walls again
