FREE!!!

LOI!!!

Yeah I'm out on my own
I turned off my phone
No contact with the outside world
I'm in my own little place

(Pre Chorus)

I'm racing time inside my mind
Now the clocks ticking
My heart is beating

Chorus

Faster Faster Now
I'm all alone all to myself
Slower Slower
I want this to last
Now I want to go fast
Feel the wind though my hair cause I don't care

No more feeling defeated
A break that I needed
Some time to myself

Nobody Else
No No

It feels so good
to be free
Just me only me
No boy toy
No cell phone
I'm in my zone
Cause

(Pre Chorus)

I'm racing time inside my mind
Now the clocks ticking
My heart is beating
Chorus
Faster Faster Now

I'm all alone all to myself
Slower Slower
I want this to last
Now I want to go fast
Feel the wind through my hair cause I don't care

Yeah yeah I don't have a care
No No I'm free no no only me
