Oh yeah  
Monday Tuesday we were cool  
Wednesday I found out 'bout you  
Caught my heart by telling lies  
You weren't what you advertise  
But silly me to believe

I was unique  
When I'm gone you put on a show  
Oh whoa whoa you gotta go  
'Cause what's true about you  
Who are you when I'm gone  
Wanted to be with you  
Don't know what I was on  
'Cause you got me to forget me  
Oh whoa whoa you know that's true  
Yea you got me to forget me  
So Friday I'll be over you

Oh yeah  
No no I ain't gonna cry  
Go and be with her tonight  
I really don't care what you do  
Cause Friday ill be over you  
And silly me to believe

I was unique  
When I'm gone you put on a show  
Oh whoa whoa you gotta go  
'Cause what's true about you

Who are you when I'm gone  
Wanted to be with you  
Don't know what I was on  
'Cause you got me to forget me  
Oh whoa whoa you know that's true  
Yeah you got me to forget me  
So Friday I'll be over you  
Oh yeah

Oh yeah  
And silly me to believe

When I'm gone you put on a show  
Oh whoa whoa you know that's true  
Oh oh  
'Cause you got me to forget me  
Whoa  
Yeah you got me to forget me  
So Friday ill be over you  
Cause what's true about you  
Who are you when I'm gone  
Wanted to be with you  
Don't know what I was on  
'Cause you got me to forget me  
Oh whoa whoa you know that's true  
Yeah you got me to forget me  
So Friday I'll be over you
