[Verse 1]

You're like a bitch
you talk none stop and then
you brag,you're a hag
and your mind is drowned with sin
You're like a crime
you kill with your love,and then
you flee,and leave me
left here thinking about all we could've been

[Chorous]

To you I must be the girl-ur! next door-oor
and you only want my lips
talking the shit
but you let me tell you
that I won't be sold
to your other friends down the road
Just a girl,girl,girl,girl
You use me and you hurt me
as if I'm beliving
that you're the man for me
hello no,you're fake and addicting
and also dicieiving
so screw you, I'm gonna leave

[Verse 2]

You're like a dad
you control and you win
you're sexy and bad
but your mind is full of sin
you're a disease
you've got me addicted
back down on my knees

now I'm afflicted
I'm done with your shit
no more beggin please

[Chorous]

[Bridge]

I'm not your neighbour hoe
I'm more,so much more
I'm not your slow ride to nowhere
I'm more,I'm not a whore
like they say in all this magazines
they don't know me
they don't own me
and baby you're no exception
and if they want to hate me
then let them

[Nikki Minaj]

No need to call me
not on your telly
just give me that ah,that telepathy
I'm right next door
knock on my door-oor
and I'll give you more-ore
no baby,no
don't listen to that shit they say
I'm not a whore-ore
I'm more-ore
not just the girl next door-oor
screw all them headlines
and all of them street signs
I don't give a darn about them haters
I say "later"
they can kiss my ah
and you can kiss my ah
baby ah,the ah off Ah!

[Bridge 2]

I'm not the girl
you pick up on the road
I'm not the girl

you take just because I'm sold
I'm not your baby
baby don't hate me
I just get so bored
so damn bored
of being the girl
nothing but the girl
next door,door,door,door

[Chorus x2]

Ooh,ooh
Oooh,ooh
the girl next door,oh
the girl next door,oh
the girl next door,oh
