Are you overloaded
Candy-coated
Your life's imploding now
There's a risk worth takin'
A pain worth achin'
On this hollow ground
(We can) Let go
Don't hold on to all of life's hardest parts
When we think of stopping
Let's keep on rockin'
To the rhythm of our hearts

We can
We can break out of here
Jump on over there
Where the air is clearer
We can
We can forget the pace
Win in our own race
Become a broken chain, (yeah)
We are broken chains, (yeah)
Good and broken

Find the magic
Go and grab it
Your fate is in your hands
Come on, find a reason to believe in
Just tell yourself we can

We can
We can break out of here
Jump on over there
Where the air is clearer
We can
We can forget the pace
Win in our own race
Become a broken chain, (yeah)
We are broken chains, (yeah)
Good and broken

Get off your seat
On your feet

Raise your hands
Feel the beat
Let it go
Lose control
Feel it in your soul
Don't you know what you can do
If you have faith in you
Let's not be invisible
There's no red light in life
Just go

We can
We can break out of here
Jump on over there
Where the air is clearer
We can
We can forget the pace
Win in our own race
Become a broken chain, (yeah)
We are broken chains, (yeah)
Good and broken

We can, we can, we can, we can, we can
We can, we can, we can, we can, we can
We can, we can, we can, we can, we can

Good and broken
