

Miley Cyrus "Goodbye"

I can honestly say
You've been on my mind
Since I woke up today, up today
I look at your photograph all the time
These memories come back to life
And I don't mind

I remember when we kissed
I still feel it on my lips
The time that you danced with me
With no music playing
I remember the simple things
I remember til I cry
But the one thing I wished I'd forget
The memory I wanna forget
Is goodbye

I woke up this morning
And played our song
And through my tears I sang along
I picked up the phone and then
Put it down
'Cause I know I'm wasting my time
And I don't mind

I remember when we kissed
I still feel it on my lips
The time that you danced with me
With no music playing
I remember the simple things
I remember til I cry
But the one thing I wished I'd forget
The memory I wanna forget

Suddenly my cell phone's blowing up
With your ring tone
I hesitate but answered it anyway
You sound so alone
And I'm suprised to hear you say

You remember when we kissed
You still feel it on your lips

The time that you danced with me
With no music playing
You remember the simple things
We talked til we cried
You said that your biggest regret
The one thing you wished I'd forget
Is saying goodbye
Saying goodbye
Ooo
Goodbye
