The rumors are true, I deleted my twitter.  
Can you believe  
I got, got 2 million  
Then I said adios  
I had to say goodbye  
and this little rap is to tell my fans why.

No it wasn't because my friend told me to  
Y'all know very well what you say I don't do  
And the reasons are simple I started tweeting about  
pimples  
I stopped living for moments and started living for  
people  
Yeah you write what you're doing but who really cares  
If I'm playing with Noah or just doing my hair

Everything that I type and everything that I do  
All those lame gossip sites take it and they make it  
news  
I want my private life private, I'm done trying to please  
I aint living for tabloids, no I'm living for me.  
No more emo quotes and big fued with Demi  
Yeah I'm done with all that and the truth is I'm too busy  
Yeah I gotta admit I miss Dane Cooks tweets and I  
really like looking at Katy Perry and Britney.  
I might have some withdraws I was a little obsessed but  
I'm peacing out and I'm leaving with this  
Goodbye
