(Miley Cyrus)

Sometimes I wonder,
if everything
changed
How would we make out?
And now suddenly
thunder, and
everything changed
There's this big dark
cloud, hovering

Hovering
Hovering
Hovering

(Trace Cyrus)

You always said
that we'd make it
through

(Miley)

Troubling
Stumbling
Fumbling

For the words that say
That I'm leaving you
I'm leaving you

We go through the motions
Like everything's settled
But it's inside out
And it makes us
uncomfortable
Still holding on
When there's all this
doubt, hovering

Hovering
Hovering
Hovering

(Trace)

You always said
that we'd make it
through

(Miley)

Troubling

Stumbling

Fumbling

For the words that say
That I'm leaving you
I'm leaving you

(Miley & Trace)

And maybe we're just
older (older)
Just a little older (older)
Cause the fact that
this is over
The fact that this
is over with you, then

(Miley)

Hovering

Hovering

Hovering

(Trace)

You always said
that we'd make it
through

(Miley)

Troubling

Stumbling

Fumbling

For the words that say
That I'm leaving you
Leaving you

Troubling

Stumbling

Fumbling

For the words that say
That I'm leaving you

(Trace)

You always said
that we'd make it
through
You always said
that we'd make it
through
