(from "Bolt" OST)

MILEY:

Nobody listens to me,  
Dont hear a single thing i say,  
Say anythings to me,  
Anything to get you on my head.  
Dont know how i really feel,  
Cause its the faith  
that makes it like that i dont care  
Dont know how much it hurts  
to turn around like u were never there  
Like somehow you could be the break  
And i could walk away  
from the promises we made  
And swore we'd never break

(Miley e Travolta)

Chorus:

I thought I lost you  
when you ran away  
to try to find me  
I thought i'd never  
your sweet face again  
I turned around  
and you were gone  
and on and on  
the base print  
I kept the moments  
that we were in  
And i knew in my heart  
that you  
would come back for me  
my friend  
And now i got you  
When i thought  
i lost you!

BRIDGE TRAVOLTA

I told myself  
i wouldnt sleep  
Till

i searched the world  
from sea to sea

MILEY  
I made a wish upon a star  
I turned around  
and there you were,

TOGETHER:  
And now here we are

MILEY:Here we are  
I thought I lost you

TRAVOLTA:  
I thought I lost You!

MILEY: YOU

TOGETHER:Yeh i thought I lost you
