Whoa, whoa, oh  
Whoa, Whoa  
Whoa, whoa, oh  
Whoa, Whoa  
Whoa, whoa, oh  
Whoa, Whoa

When I saw you over there,  
I didn't mean to stare,  
But my mind was everywhere,  
I wanna know you

Gonna guess that you're the kind,  
to say what's on your mind,  
But you listen when I have something to show you.

There's a mark above your eye,  
You got it in July  
You're fighting for your sister's reputation

You remember people's names  
Valentines are lame  
So I bring you flowers just for no occasion

Whoa, whoa, oh  
Whoa, Whoa

I wanna know you!

Whoa, whoa, oh  
Whoa, Whoa

I wanna go there, where you go  
I wanna find out what you know  
And maybe someday down the road,  
I'll sit back and say to my self, 'yeah I thought so'

You smile, never shout.  
You stand out in a crowd  
You make the best of every situation

Correct me if I'm wrong,

You're fragile and you're strong  
a beautiful and perfect combination

Whoa, whoa, oh  
Whoa, Whoa

I wanna know you

Whoa, whoa, oh  
Whoa, Whoa

I wanna go there, where you go  
I wanna find out what you know  
And maybe someday down the road,  
I'll sit back and say to my self

I like how you are with me  
In our future history  
And Maybe someday down the road  
I'll sit back and say to my self,  
'Yeah, I thought so'

I thought so

Ooh whoa  
Yeah  
Yeah

I wanna know you

Whoa Whoa oh  
(Yeah)  
Whoa Whoa oh  
(Yeah)  
Whoa Whoa oh  
(Yeah)

I wanna go there, where you go  
I wanna find out what you know  
And maybe someday down the road,  
I'll sit back and say to my self

I like how you are with me  
(yeah)  
In our future history  
(yeah)  
And Maybe someday down the road  
(yeah)  
I'll sit back and say to my self, 'Yeah, I thought so'
