I always knew this day would come  
We'd be standing one by one  
With our future in our hands  
So many dreams so many plans

Always knew after all these years  
There'd be laughter there'd be tears  
But never thought that I'd walk away  
with so much joy but so much pain  
And it's so hard to say goodbye

But yesterdays gone we gotta keep moving on  
I'm so thankful for the moments so glad I got to know  
ya  
The times that we had I'll keep like a photograph  
Hold you in my heart forever  
I'll always remember you

Nanananana

Another chapter in the book can't go back but you can  
look  
And there we are on every page  
Memories I'll always save  
Up ahead on the open doors  
Who knows what we're heading towards?  
I wish you love I wish you luck  
For you the world just opens up

But it's so hard to say goodbye

Yesterdays gone we gotta keep moving on  
I'm so thankful for the moments so glad I got to know  
ya  
The times that we had I'll keep like a photograph  
Hold you in my heart forever  
I'll always remember you

Everyday that we had all the good all the bad  
I'll keep them here inside  
All the times we shared every place everywhere  
You touched my life

Yeah one day we'll look back we'll smile and we'll laugh  
But right now we just cry  
Cause it's so hard to say goodbye

Yesterdays gone we gotta keep moving on  
I'm so thankful for the moments so glad I got to know  
ya  
The times that we had I'll keep like a photograph  
Hold you in my heart forever  
I'll always remember you

Nananana

I'll always remember you  
I'll always remember you ( ... )
