When I feel all alone
And nobody knows
Still got a smile for a while
I can't let it show
Dry my tears
[Dry my tears]
Have no fears
[Have no fears]
And when i'm backstage
Feelin' down
And the lights go on
No time to worry
Gotta hurry
Gotta sing my song
Gotta shake it off
[shake it off]
Just strike a pose
[Here I go]
Snap my fingers just like that
Don't get what I want
And that's a fact
Snap my fingers just like that
Don't get what I want
[Just cause I want it]
I'm super cool
Super hot
Livin like a rockstar
You think i'm super
You think i'm super
On the cover of
Your magazines
Wherever I go they
Make a scene
I'm super super
I'm super duper
So you wanna be just like
So you wanna be just like
Think you wanna be just
Like me
Everybody's watching me
It's never as easy as it seems

To be super super
To be super super girl
When I walk in the room
Everybody stops
Camras flashing
People fighting
For the best shot
They like my hair
[like my hair]
The clothes I wear
[clothes I wear]
Everybody wants to know
What im doin next
Sometimes I wish I could
Stay home
Just be by myself
I wanna be
[wanna be]
More carefree
Can't you see
Snap my fingers just like that
Don't get what I want
And that's a fact
Snap my fingers just like that
Don't get what I want
[just cause I want it]
I'm super cool
super hot
Livin like a rockstar
You think i'm super
You think i'm super
On the cover of
Your magazines
Wherever I go they
Make a scene
I'm super super
I'm super duper
So you wanna be just like
So you wanna be just like
Think you wanna be just
Like me
Everbody's watching me
It's never as easy as it seems
To be super super
To be super super girl
Wish you could see
I'm like everybody else
Struggling to let go
And always be myself
I'm super cool
Super hot

Super
I'm super super
I'm super super
On the cover
Of your magazines
Wherever I go they
Make a scene
I'm super super
I'm super super
So you wanna be just like
So you wanna be just like
Think you wanna be just
Like me
Everybody's watching me
It's never as easy as it seems
To be super super
To be super super girl
