Verse 1:

I want a smile on my face.  
A happy alert to my brain.  
I want to be on the other side.  
I want a wonderful life.  
I want to avoid the rush.

Chorus:

I want a smile make this worth while.  
And get as much,  
As I can.  
I want to fly just you and I.

I want everything so clear.

Chorus x1.
