I'll be right here when you need me  
Anytime just keep believin  
And I'll be right here  
If you ever need a friend  
Someone to care and understand  
I'll be right here

All you have to do is call my name  
No matter how close or far away  
Ask me once and I'll come  
I'll come runnin  
And when I can't be with you dream me near  
Keep me in your heart and I'll appear  
All you gotta do is turn around  
Close your eyes  
Look inside  
I'm right here

Isn't it great that you know that  
I'm ready to go wherever you're at  
Anywhere I'll be there

All you have to do is call my name  
No matter how close or far away

Ask me once and I'll come

I'll come runnin  
And when I can't be with you dream me near  
Keep me in your heart and I'll appear  
All you gotta do is turn around  
Close your eyes  
Look inside  
I'm right here

Whenever you need me  
There's no need to worry  
You know that I'm gonna be  
Right here

Ask me once and I'll come  
I'll come runnin

And when I can't be with you dream me near  
Keep me in your heart and I'll appear  
All you gotta do is turn around  
Close your eyes  
Look inside  
I'm right here  
Oh yeah yeah  
I'm right here
