I can't help my self from sittin here missin you
i was only playing when i said that we're through
just likin you
every time that i fall for you
i'm sick of these games
i keep on tryin
and you just keep on lyin
and just like sombody breaking your trust when its
handed to you

i'll never fall in love with you
i'm so not over you
Yeah
whoa yeah
is it so wrong
that i still wear your ring
even though its so cheap
and now my finger's green
you can try to say
that i didn't mean anything anyway
you can keep on thinkin i'm sittin here missin you
but i wasn't playing when i said that we're through
just likin you
every time that i fall for you

i'm sick of these games
i keep on tryin if you just keep on lyin
just like somebody breaking your trust
when its handed to you
i'll never fall in love with you

you, make me smile

take my hand
and don't let go i want you to know
i love you all the while

cry no more

like before

so its on you
i can't stop myself from sittin here missin you
with no regrets the day i said that we're through
just like you do
every time i fall for you
you'll keep lyin
but i will keep tryin
just like somebody breaking your trust
when its handed to you
i'll never fall in love with you

saying now or never
i'd rather it be forever
yeah we'll make it through
i got the rest of my life
we'll make it right
just promise you'll be true
and i'll wait for you yeah ah ah
cause i'll never get over you
yeah
whoa
yeah
