I noticed you, standin' there beside the door
I noticed you, were lookin' for more of m-e
I stood watching you freak out
I noticed, i noticed, i noticed you
I noticed that you noticed m-e
And now, guess what
It's time for you to spill your guts
Tell me all about your self
Tell me what turns you on
Tell me your favorite song
Wo-oh wo-oh hey aha oh ya
(repeat music)
I noticed,
You noticed me
And this is what i-i can see
We noticed eachother
We picked eachother out from the crowd
Oh ya uh ha
Now tell me one more thing
Do you like me?
