Yeah, Yeah

So what you see
Is only half the story
There's another side of me
I'm a girl you know but I'm someone else too
If you only knew

It's a crazy life but I'm alright

I've got everything I've always wanted
I'm Livin' the dream
So yeah everthing I've always wanted
Is it always what it seems?
I'm a Lucky girl
Whose dreams came true
But underneath it all, I'm just like you

Yeah, Yeah

Don't wanna be treated differently
I wanna keep it all inside
Half the time
I got my name in lights
The other half I'm by your side

It's a crazy life
But I'm just fine

I got everything I've always wanted
Living the dream
So yeah
Everything I've always wanted
Is it always what it seems?
I'm a lucky girl
Whose dreams came true
But underneath it all
I'm just like you

Can't you see I'm just an ordinary girl
Livin in an extraordinary world
Tryin to live

Tryin to learn
Tryin to just be
Who I am
(Who I am)

I got everything I've always wanted
Livin the dream
So yeah
Everything I've always wanted
Is it always what it seems?
I'm a lucky girl
Whose dreams came true
But underneath it all
I'm just like you

Everything I've always wanted
Livin the dream
So yeah
Everything I've always wanted (Always wanted)
Is it always what it seems
I'm a lucky girl
Whose dreams came true
But underneath it all
I'm just like you
