You  
Dont have to give up  
your dream  
to be  
what people want you to be

you  
dont have to change  
the way you are  
to impress  
some guy that you like

Keep On dreaming if you think that should be true  
keep on laughing if you know thats not you  
keep on loving the way your are  
dont change for somebody else  
just be yourself

You  
shouldnt worry  
about  
what other people think

you  
shouldnt change  
just  
beacause he walks by

keep on dreaming if you think that should be true  
keep on laughing if you know thats not you  
keep on loving the way you are  
dont change for somebody  
just be yourself

did you listen to me  
do you understand  
the words i'm saying

keep on dreaming if you think that should be true  
keep on laughing if you know thats not you  
if you thats not youuuuuuuuuuuuuuuuuuuuu

keep on dreamin if that should be true  
(u should know its not)  
Keep on laughing if you know thats not you  
(Just rotfl)  
Keeping on loving the way you are  
(you'll be a star)

Repeat x2 then fade out.....
