I rode all night on a big old bus
You came a long way to be w/ us
You paid good money
To see a show
Ya, lets get ready
Cuz here we go
Get on your feet, cuz im plugged in
So come on, let's do this

I'll turn it on
I'll turn it up
I'll show you all what i'm made of
I'll make it loud
I'll wear it out
I'll bring the roof in this house down
I know just what you came here for
And I want to hear you scream and more
Get on your feet
You know you can't resist
Let's Do This

na na na na na na
uh huh uh huh

na na na na na na
let's do this

na na na na na na
uh huh uh huh

na na na na na na

Don't call this work
But I'm here to play
And the real party starts backstage
And all my friends
They sing my song
I wish you all
Could come along
To take a picture
To show your friends
So come on, lets do this

I'll turn it on
I'll turn it up
I'll show you all what i'm made of
I'll make it loud
I'll wear it out
I'll bring the roof in this house down
I know just what you came here for
And I want to hear you scream and more
Get on your feet
You know you can't resist(oh)

Everybody come on
Now's time to get loud
Throw your hands up
Now's the time to shout it out
All my people let me see you
Jumpin up and down
Let me hear the words
You know, you know now sing them out
Freak out
Scream and shout
This is what it's all about
Let me hear the words now(?)

I'll turn it on
I'll crank it up
I'll show you all what im made of
I like it loud
I'll wear it out
I'll bring the roof in this house down
I know just what you came here for
And i want to hear you scream and more
Get on your feet
I know you cant resist
Let's Do This
