Life is just a party so come as you are
Dress it up or dress it down forget your guitar

Just be courageous this style's contagious
everyone can rock out like a superstar

(chorus)

Lets get crazy get up and dance, take a swing do your
thing is worth taking a chance
Lets get crazy yeah just kick up your heels don't miss
out time to shout, always keeping it real
Lets get crazy

Our songs, our style, our hair, our smile, our laugh, our
hearts, our grace, our smarts

You see me on the cover of a magazine remember
things are always different than the way that it seems

heres an invitation to every nation
meet me on the dance floor and we'll make a scene

(chorus)

Lets get crazy get up and dance, take a swing do your
thing is worth taking a chance

Lets get crazy yeah just kick up your heels don't miss
out time to shout, always keeping it real
Lets get crazy

Our songs, our style, our hair, our smile, our laugh, our
hearts, our grace, our smarts

(chorus 2)

Lets get crazy get up and dance, take a swing do your
thing is worth taking a chance
Lets get crazy turn the music up loud now's the time to
unwind put your self in the crowd
Lets get crazy

Yeah the fun just begone c'mon dance everyone heres
an invitation to every nation oh oh yeah oh oh yeah

Crazy...take a swing do your thing is worth taking a
chance
Lets get crazy
Yeah just kick up your heels don't miss out time to
shout, always keeping it real
Lets get crazy.
