Don't live a lie  
This is your one life  
Oh, Don't live it like you won't get lost  
Just walk, Just walk

Hoo, It's a liberty walk, It's a liberty walk  
It's a liberty, liberty, liberty  
Hoo, It's liberty walk, It's a liberty walk  
It's a liberty, liberty, liberty

Here's to all the ones trying to hold you back  
Trying to make you feel like you're less than that  
Giving nothing more better than to make you crack  
But really just try to put your dreams on track  
And you know in the end It'll be okay  
'Cause all that really matters are the steps you take  
And everything else falls into place  
There's no price to pay, I say

We're Alright (alright)  
Yeah, Yeah (Yeah, Yeah)  
We gonna get it when we live it, live it  
Oh, we're alright (alright)  
Yeah, Yeah (Yeah, Yeah)  
We gonna get it when we liberty walk (walk)

It's a liberty walk, walk  
Saying goodbye to the people who tied you up  
It's a liberty walk, walk  
Feeling your heart again, breathing new oxygen  
It's a liberty walk, walk  
Free yourself, slam the door  
Not a prisoner anymore  
Liberty, liberty, li-li-liberty, liberty (li-li)  
It's a liberty walk, walk, walk

Don't stop just keep on walking in it  
Don't stop just keep on talking shit  
Don't stop just keep on walking in it  
Walk, walk, (walk, walk)

Don't be afraid to make a move

It won't hurt you  
Just do what you were born to do  
And everything works out right  
Don't listen to all the people who hate  
'Cause all they do is help make your mistakes for ya

But they don't own ya, I just told ya

Alright (alright)  
Yeah, Yeah (Yeah, Yeah)  
We gonna get it when we live it, live it  
Oh, we're alright (alright)  
Yeah, Yeah (Yeah, Yeah)  
We gonna get it when we liberty walk (walk)

It's a liberty walk, walk  
Saying goodbye to the people who tied you up  
It's a liberty walk, walk  
Feeling your heart again, breathing new oxygen  
It's a liberty walk, walk  
Free yourself, slam the door  
Not a prisoner anymore  
Liberty, liberty, li-li-liberty, liberty (li-li)  
It's a liberty walk, walk, walk

Don't stop just keep on walking in it  
Don't stop just walk this way  
Don't stop just keep on walking in it  
Don't like, don't like, don't like, don't like  
Don't like what you do, walk  
Don't take the abuse, walk  
Move the truth, walk  
People, come on, that means you, walk

It's a liberty walk, walk  
Saying goodbye to the people who tied you up  
It's a liberty walk, walk  
Feeling your heart again, breathing new oxygen  
It's a liberty walk, walk  
Free yourself, slam the door  
Not a prisoner anymore  
Liberty, liberty, li-li-liberty, liberty (li-li)  
It's a liberty walk, walk, walk

Don't stop just keep on walking in it  
Don't stop just keep on talking shit  
Don't stop just keep on walking in it  
Walk, walk, walk  
Don't stop just keep on walking in it  
Don't stop just keep on talking shit  
Don't stop just keep on walking in it

Walk, walk, walk, walk
