Don't live a lie, this is your one life, oh
Don't live it like you won't get lost
Just walk, just walk

It's a liberty walk, it's a liberty walk
It's a liberty, liberty, liberty
It's a liberty walk, it's a liberty walk
It's a liberty, liberty, liberty

Here's to all the ones tryin' to hold you back
Tryin' to make you feel like you're less than that
Givin' nothing more better than to make you crack
But really just trying to put your dreams off track

And you know in the end it'll be okay
'Cause all it really matters are the steps you take
And everything else falls into place
There's no price to pay, I say

We're all right, yeah, yeah
We gonna get it, when we live it, live it
We're all right, yeah, yeah
We gonna get it, when we live it, oh, oh

It's a liberty walk, walk
Say goodbye to the people who tied you up
It's a liberty walk, walk
Feeling your heart again, breathing new oxygen

It's a liberty walk, walk
Free yourself, slam the door, not a prisoner anymore
Liberty, liberty, I-I-liberty, liberty, I-I
It's a liberty walk, walk, walk

Don't stop, keep on walking it
Don't stop, keep on talking
Don't stop, keep on walking it
Walk, walk

Don't be afraid to make a move
It won't hurt you just do
What you were born to do

And everything works out right

Don't listen to all the people who hate
'Cause all they do is help make your mistakes for you
But they don't own ya, I just told ya

All right, yeah, yeah
We're gonna get it, when we live it
We're all right, yeah, yeah
We're gonna get it, when we live it, oh, oh

It's a liberty walk, walk
Say goodbye to the people who tied you up
It's a liberty walk, walk
Feeling your heart again, breathing new oxygen

It's a liberty walk, walk
Free yourself, slam the door, not a prisoner anymore
Liberty, liberty, I-I-liberty, liberty, I-I
It's a liberty walk, walk, walk

Don't stop, keep on walking it
Don't stop, just walk this way
Don't stop, keep on walking it

Don't like, don't like
Don't like what you do
Don't take the abuse, move to the truth
People, come on that means you

It's a liberty walk, walk
Say goodbye to the people who tied you up
It's a liberty walk, walk
Feeling your heart again, breathing new oxygen

It's a liberty walk, walk
Free yourself, slam the door, not a prisoner anymore
Liberty, liberty, I-I-liberty, liberty, I-I
It's a liberty walk, walk, walk

Don't stop, keep on walking it
Don't stop, keep on talking
Don't stop, keep on walking it
Walk, walk, walk

Don't stop, keep on walking it
Don't stop, keep on talking
Don't stop, keep on walking it
Walk, walk, walk
