Try me on for size you'll never get enough I know I've
been there done that seen all the things I thought
impossible and I never wanna go there again it wasn't
what it seems and it seems to be calling my name

Chorus

I'll make a list for you to see of places I've seen and
missed you too on tour ya never seem to find someone
as great as you were and forever that list sha'll glow

Oh I'm still recovering from the blow that you gave me
when said that one word I'm still crying from never
wanting to hurt you but I did yeah and I'm sorry for
everything I did that offeded you but I needed to get it
of my chesy yeah

Chorus

I'll make a list for you to see of places I've seen and
missed you too on tour ya never seem to find someone
as great as you were and forever that list sha'll glow

It's easy to see that where ever I go the list will follow
oh then I'll give all to you yeah

Chorus

I'll make a list for you to see of places I've seen and
missed you too on tour ya never seem to find someone
