[Miley Cyrus:]

There's a gold frame,  
That sits by the window.  
And my heart breaks,  
A little more each time I try,  
To picture the memory inside.

[Billy Ray Cyrus:]

There's a notebook,  
It's too hard to read it  
But if you look,  
You'd see how you look through my eye's,  
But now one more chapter's gone by,  
And I know...

[Miley and Billy Ray Cyrus:]

It's time to move on;  
Even though I'm not ready.  
I've got to be strong,  
And trust where you're heading.  
Even though it's not easy (not easy),  
Right now the right kind of love...  
Is the love that let's go, go

[Miley Cyrus:]

There's an old dance that we've done forever  
You give me your hand, but let me decide when to reach  
You always let me be me  
But now's my time to take chances  
And find my own wings  
And whatever happens  
I know you'll be there waiting for me

[Miley and Billy Ray Cyrus:]

It's time to move on, even though I'm not ready

I've got to be strong, and trust where I'm heading  
And even though it's not easy, (it's not easy)  
I know the right kind of love

Doesn't wanna miss the future,  
Or stand in the past.  
It will always hold on;  
But never hold you back.  
And even though It's not easy (not easy),  
Right now the right kind of love  
Is love that let's go.

[Billy Ray Cyrus:] It's time I let you

[Miley Cyrus:] With a love that let's

[Both:] Go
