It's easy to feel like you're all alone

To feel like nobody knows

The great that you are

The good that's inside you

Is trying so hard to break through

Maybe it's your time to lift up and fly

You won't know if you never try

I will be there for you all of the way

You'll be fine

Chorus:

Don't!

Let!

Anyone tell you that you're not strong enough

Don't give up!

There's nothin' wrong with

Just bein' yourself that's more than enough

So come on and raise your voice

Speak your mind and make some noise

And sing...hey...hey

Make some noise...hey...hey yeah

You want to be known

You want to be heard

And know you are beautiful

You have so much to give

So shout it out and let it show

You have a diamond inside of your heart

A light that shines bright as the stars

Don't be afraid to be all that you are

You'll be fine

Chorus

You can't just sit back

And watch the world change

That's what you've got to say

There's no one else who can stand in your place

So come on it's never too late

Maybe it's your time to lift up and fly

You won't know if you never try

Chorus

Hey

Hey

Make some noise

Speak your mind and make some noise

And sing

Hey yeah

Hey yeah

Hey yeah, make some noise

Hey yeah

Hey yeah

Hey yeah

Make some noise

Hey yeah

Hey yeah

Hey yeah

Make some noise

Hey yeah

Hey yeah

Hey yeah

Make some noise
