Why do I just lay awake and think of you
I need some sleep
Tomorrow I have things to do

Everytime I close my eyes, I see your face
So I try to read
But all I do is lose my place

Am I obsessed with you?
I do my best not to want you
But I do all the time
I do all the time

I just had to call you up and say hello
I know it's 3 AM
And I saw you a while ago

But I still had this aching pain to hear your voice
To know you're there
I don't seem to have any choice
Am I obsessed with you?
I do my best not to want you
But I do all the time
I do all the time

Ohh yeah

I'm so sorry, I just had to wake you up
I feel so lonely by myself
Is this the way it feels when you're in love?
Or is it something else?
Yeah

Am I obsessed with you?
I do my best not to want you
But I do all the time
Want you all the time

Ohh yeah
But I do all the time
I want you all the time

Am I obsessed with you?
