Lyrics to Only Hope :
(feat. Billy Ray Cyrus)

There's a song that's inside of my soul
It's the one that I've tried to write over and over again
I'm awake and in the infinite cold
But You sing to me over and over and over again

So I lay my head back down
And I lift my hands and pray to be only Yours
I pray to be only Yours
I know You're my only hope

You sing to me of the song of the stars
Of Your galaxy dancing and laughing and laughing
again
When it feels like my dreams are so far

You sing to me of the plans that You have for me over
again

And I lay my head back down
And I lift my hands and pray to be only Yours
I pray to be only Yours
I know You're my only hope

I give You my empathy, I'm giving You all of me
I want Your symphony singing in all that I am
At the top of my lungs I'm giving it back

And I lay my head back down
And I lift my hands and pray to be only Yours
I pray to be only Yours, I pray to be only Yours
I know You're my only hope
