I've been to London,  
Been to Paris,  
Australia and Rome  
There's sexy boys in every city  
But they're not what I want  
Some got money  
Some got fame  
Some got cars and the clothes  
But if it just aint you  
Then I don't wanna know

Cuz baby now I realize that I was wrong  
When I said I didn't need you, soooo  
Miss you bad so now I'm comin' home  
So you better leave the light on  
Wait for me and just leave the light on, oh

It's been like a permanent December  
So much colder than I can remember  
When I get you back  
This time I swear that I won't  
Won't ever let you go  
Won't let you go, no  
Won't let you go go go go  
Won't let you go, no  
Go go go go, no no no no

I've been to New York  
Been to L.A  
And to Baton Rouge  
I met a boy in every city  
No one kept me amused  
But don't call me a Lolita  
Cuz I don't let 'em through  
Cuz I'm saving all my lovin'  
For someone and it's you

Cuz baby now I realize that I was wrong  
When I said I didn't need you, soooo  
Miss you bad so now I'm comin' home  
So you better leave the light on  
Wait for me and just leave the light on, oh

It's been like a permanent December  
So much colder than I can remember  
When I get you back  
This time I swear that I won't  
Won't ever let you go  
Won't let you go, no  
Won't let you go go go go  
Won't let you go, no  
Go go go go, no no no no

Won't let you go go go go  
Won't let you go, no  
Go go go go, no no no no

Hey!  
What do you say?  
Cuz I been all around the world  
And they just aint the same  
Hey!  
What do you say?  
Without my baby  
I go crazy  
And I just gotta scream

But now I realize that I was wrong  
When I said I didn't need you, soooo  
Miss you bad so now I'm comin' home  
So you better leave the light on  
Wait for me and just leave the light on, oh oh!

It's been like a permanent December  
So much colder than I can remember  
When I get you back  
This time I swear that I won't  
Won't ever let you go  
Won't let you go, no(won't let you)

It's been like a permanent December  
So much colder than I can remember  
When I get you back  
This time I swear that I won't  
Won't ever let you go  
Won't let you go, no  
Won't let you go go go go  
Won't let you go, no  
Go go go go, no no no no

Won't let you go go go go  
Won't let you go, no  
Go go go go, no no no no
