"() indicates them singing together"

[Billy]: Shes gotta do what shes gotta do
And I've got to like it or not
Shes got dreams to big for this town
And she needs to give them a shot
Wherever they are
[Miley]: Looks like Im all ready to leave
With nothing left to pack
[Billy]: Aint no room for me in that car
Even if she asks me to tag along
(God I gotta be strong)

[Miley]: Im at the startin line
For the rest of my life
As ready as I've ever been
Got the hunger and stars in my eyes
The prize is mine to win
[Billy]: Shes waitin on my blessings
Before she hits that open road
Baby get ready get set don't go

[Miley]: Looks like things are fallin in place
[Billy]: Feels like there fallin apart
I painted this big old smile on my face
To hide my broken heart, if only she knew
[Miley]: This is where you don't say what you want so
bad to say
[Billy]: This is where I want to but I wont get in the way
Of her in her dreams and spreading her wings
*Miley is the the backgrounds singing "im ready to fly"
