I'll be right here where you need me
Anytime just keep believing
And I'll be right here
If you ever need a friend
Someone to care and understand
I'll be right here

All you have to do is call my name
No matter how close or far away
Ask me once and I'll come
I'll come runnin
And when I can't be with you dream me near
Keep me in your heart and I'll appear
All you gotta do is turn around
Close your eyes
Look inside
I'm right here

Isn't it great that you know that
I'm ready to go wherever you're at
Anywhere I'll be there

All you have to do is call my name
No matter how close or far away

Ask me once and I'll come
I'll come runnin
And when I can't be with you dream me near
Keep me in your heart and I'll appear
All you gotta do is turn around
Close your eyes
Look inside
I'm right here

Whenever you need me
There's no need to worry
You know that I'm gonna be
Right here

Ask me once and I'll come
I'll come runnin
And when I can't be with you dream me near

Keep me in your heart and I'll appear
All you gotta do is turn around
Close your eyes
Look inside
I'm right here
Oh yeah yeah
I'm right here
