Oh oh oh oh oh oh yeah

Sometimes I walk a little faster  
In the school hallway  
Just to get next to you  
Some days I spend a little extra  
Time in the morning  
Just to impress you

Guess you don't notice  
Guess you don't need this  
Sad you're not seein what you're missin'  
On the outside shyin away  
On the inside dyin to say

I'm unusual  
Not so typical  
Way too smart to be waiting around  
Tai chi practicing  
Snowboard champion  
I could fix the flat on your car  
I might even be a rock star  
I might even be a rock star

Sometimes I wish when the phone rings  
That it would be you  
Saying let's hang out  
Then you confess  
That there's something special between us  
Why don't we find out

But you don't know me  
Guess you don't need me  
Why you're not seein' what you're missin'  
On the outside shyin' away  
On the inside dyin' to say

I'm unusual  
Not so typical  
Way too smart to be waiting around  
Tai chi practicng  
Snowboard champion

I could fix the flat on your car  
I might even be a rock star

If you only knew the real me  
I might even be a rock star  
I'm telling you that we are meant to be  
Now wouldn't it be nice if you could see  
That I really am a rock star

I'm unusual  
Not so typical  
Way too smart to be waiting around  
Tai chi practicing  
Snowboard champion  
I could fix the flat on your car  
Rockin' it wherever we are

Cuz I'm really a rock star  
Cuz I'm really a rock star
