I can pretend that I don't see you
I can pretend I don't wanna hold you when you're
around
When you're a around
I can't say that nothing was right
But we know if I looked in your eyes I'd break down
Yeah let's break down

If I could have just one night
To be with you and make it right
What we were and what we are is hidden in the scars
If I could take you there
I won't let go
This I swear
You won't have to wonder what we are
'Cause you won't have to ever look too far
It's in the scars
It's hidden in the scars

If I told you that I love you
But I'm doing alright without you
It'd be a lie
But I could try
I'd run a thousand miles
Believe me
You're the only one I want to free me to break down
Yeah let's break down

If I could have just one night
To be with you and make it right
What we were and what we are is hidden in the scars
If I could take you there
I won't let go
This I swear
You won't have to wonder what we are
'Cause you won't have to ever look too far
It's in the scars
It's hidden in the scars

Yeah I'll tell you all my secrets
All the ones I've kept inside
And I'll give you all the reasons

That you faded from my life
I won't let you go
Baby come here close
I won't let you walk away

If I could have just one night
To be with you and make it right
What we were and what we are is hidden in the scars
If I could take you there
I won't let go
Baby This I swear
You won't have to wonder what we are
'Cause you won't have to ever look too far
It's in the scars
It's hidden in the scars
It's hidden in the scars

I can pretend that I don't see you
And I can pretend I don't wanna hold you when you're
around
