You got a lot of girls who know they got it goin' on
But nothing's ever a comparison to you
Now can't you see that you're the only one I really
want?
And everything I need is everything you do

And a girl walked by no matter 'cause you're looking so
much better
Don't ever need to get caught up in jealousy
She could be a supermodel on every magazine cover
She'll never ever mean a thing to me

She's no you, oh, no
You give me more than I could ever want
She's no you, oh, no
I'm satisfied with the one I got

'Cause you're all the girl that I ever dreamed
She's only a picture on a magazine
She's no you
She's no you

They got a lot of girls that be dancin' in the videos
But I prefer the way you do the way you move
You're more than beautiful and I just wanna let you
know
That all I ever need is what I got with you

And a girl walked by no matter every time you're
looking better
I think you're perfect, there ain't nothing I would
change
She could be a supermodel on every magazine cover
She'll never ever take my heart away

She's no you, oh, no
You give me more than I could ever want
She's no you, oh, no
I'm satisfied with the one I got

'Cause you're all the girl that I ever dreamed

She's only a picture on a magazine
She's no you
She's no you

And no one's ever gonna get to me, no
The way you do now, baby can't you see
That you're the one, the only one
Who's ever made me feel this way

And nothing's ever coming even close, no
No one's ever been comparable to you

Oh, yeah

I don't want nothing I don't got
I don't need nothing but you
I can't get more than you give me
So don't stop anything you do

You're all that, all that, and then some
You know what, just what I need
And no girl, no place, no where
Could mean a thing to me

She's no you, oh, no
You give me more than I could ever want
She's no you, oh, no
I'm satisfied with the one I got

'Cause you're all the girl that I ever dreamed
She's only a picture on a magazine
She's no you
She's no you

She's no you
You give me more than I could ever want
She's no you
I'm satisfied with the one I got

'Cause you're all the girl that I ever dreamed
She's only a picture on a magazine
She's no you
She's no you, girl
