Yeah, it's B5, yeah, yeah

Let's go, yeah, come on

When you wish upon a star

Your dreams will take you very far, yeah, yeah, yeah,
yeah

When you wish upon a dream

Life ain't always what it seems, oh, yeah, come on

What you'd see on nights so clear

In the sky so very dear

You're a shining star

No matter who you are

Shining bright to see

What you can truly be, truly be

Yeah, it's B5

Yeah, yeah

Shining star come into view

Shining watchful light on you, yeah

Gives you strength to carry on

Your make my body big and strong

On the adventure of the sun

It's all awake and just begun

Thought I had to stir the mood
That's it now I got my own, yeah
So if you find yourself in need
Why don't you listen to these words of heat
Be a giant or grain of sand
Words of wisdom, yes, I can
You're a shining star
No matter who you are
Shining bright to see
What you can truly be, truly be, star
You're a shining star
No matter who you are
Shining bright to see
What you can truly be, truly be
You're a shining star
No matter who you are
Shining bright to see
What you can truly be, truly be
You're a shining star
No matter who you are
Shining bright to see
What you can truly be, truly be
Shining star
No matter who you are
Shining bright to see
What you can truly be, truly be

Shining star

No matter who you are

Shining bright to see

What you can truly be, truly be

Shining star for you to see

What your life can truly be
