These Four Walls they whisper to me they know secret I  
knew they would not keep  
Didn't take long for the room to fill with dust  
And these four walls came down around us

[Chorus:]

Must of been something set me out of my head  
With the words so radical  
And not what I meant

Now wait for a break in the silence  
Cause it's all that you left  
Just me and these four walls again

It's hard now to let you be  
I won't make excuses  
I've made my peace

Didn't take long for me to lose the trust  
Cause these four walls were not strong enough

[Chorus:]

Must of been something set me out of my head  
With the words so radical  
And not what I meant

Now wait for a break in the silence  
Cause it's all that you left  
Just me and these four walls again

Yeah it's difficult  
Wacthin us fade  
Knowing it's all my fault

My mistake  
Yeah it's difficult  
Letting you down

Knowing it's all my fault  
You're not around

[Chorus:]

Must of been something set me out of my head  
With the words so radical  
And not what I meant

Now wait for a break in the silence  
Cause it's all that you left  
Just me and these four walls again

Again x2

These Four walls again

Peace OUT HOMIES! -Anna Sophia Huntington
