Seems like we're holdin' on forever  
I gotta let it go  
Times up, you pushed me to surrender  
(tonight..)  
Who knows, what happens now, whatever  
Wherever the wind blows  
And i'm there as long as we're together

Alright..

Lets have the time of our lives  
Like there no one else around  
Just throw your hands up high  
Even when they try to take us down  
We'll have the time of our lives  
Till the lights burn out  
Lets laugh until we cry  
Life is only what you make it now  
Lets have the time of our lives!  
(lives..lives..lives..)

Dreamers, dont care if its right  
I think im really into you  
Restless, lets leave it all behind  
(tonight..)  
Crazy, when you cross my mind  
Oh the trouble we could get into  
So what, lets just give this a try  
Alright..

Lets have the time of our lives  
Like there no one else around  
Just throw your hands up high  
Even when they try to take us down  
We'll have the time of our lives  
Till the lights burn out  
Lets laugh until we cry  
Life is only what you make it now  
Lets have the time of our lives!

Holdin' back  
What are we waitin' for?

Take the chance  
Now's all we've got for sure

Lets have the time of our lives  
Like there no one else around  
Just throw your hands up high  
Even when they try to take us down  
We'll have the time of our lives  
Till the lights burn out  
Lets laugh until we cry  
Life is only what you make it now  
Lets have the time of our lives!
