Seems like we're holdin' on forever
I gotta let it go
Time's up, you pushed me to surrender
Tonight

Who knows, what happens now, whatever
Wherever the wind blows
And I'm there as long as we're together
Alright

Let's have the time of our lives
Like there's no one else around
Just throw your hands up high
Even when they try to take us down

We'll have the time of our lives
'Til the lights burn out
Let's laugh until we cry
Life is only what you make it now
Let's have the time of our lives

Dreamers don't care if it's right
I think I'm really into you
Restless, let's leave it all behind
Tonight

Crazy, when you cross my mind
Oh, the trouble we could get into
So what, let's just give this a try
Alright

Let's have the time of our lives
Like there's no one else around
Just throw your hands up high
Even when they try to take us down

We'll have the time of our lives
'Til the lights burn out
Let's laugh until we cry
Life is only what you make it now
Let's have the time of our lives

Holding back
What are we waitin' for?
Take that chance
Now's all we've got for sure

Let's have the time of our lives
Like there's no one else around
Just throw your hands up high
Even when they try to take us down

We'll have the time of our lives
'Til the lights burn out
Let's laugh until we cry
Life is only what you make it now
Let's have the time of our lives
