Yeah the rumors are true
I deleted my Twitter, huh
Can you believe it
I got 2, 2 million
The I said a-di-os
I had to say good-bye
And this little rap is to tell my fans why
Uh, uh

No, it wasn't because my friend told me to
Y'all know very well what you say I don't do
And the reason's that simple
I started tweetin' about pimples
I stopped livin' for moments
And started livin' for people

Yeah, you write what you're doin'
But who really cares
If I'm playin' with Noah
Or just doin' my hair
Everything that I type
And everything that I do

All those lame gossip sites take it
And they make it news
I want my private life private
I'm done tryin' to please
I ain't livin' for tabloids
No, I'm livin' for me
No more emo quotes
And fake feuds with Demi
Yeah, I'm done with all that
And the truth is I'm too busy
Yeah I gotta admit
I miss Dane Cook's tweets
And I really like lookin' at Katy Perry and Britney
I might have some withdrawals
I was a little obsessed
But I'm peacin' out
And I'm leavin' with this
Uh, good-bye
Uh, uh good-bye
