Everybody needs inspiration, everybody needs a soul
A beautiful melody, when the nights so long
'Cause there is no guarantee, that this life is easy

Yeah, when my world is falling apart
When there's no light to break up the dark
That's when I, I, I look at you
When the waves are flooding the shore
And I can't find my way home anymore
That's when I, I, I look at you

When I look at you, I see forgiveness, I see the truth
You love me for who I am, like the stars hold the moon
Right there where they belong, and I know I'm not alone

Yeah, when my world is falling apart
When there's no light to break up the dark
That's when I, I, I look at you
When the waves are flooding the shore
And I can't find my way home anymore
That's when I, I, I look at you

You appear just like a dream to me,
Just like kaleidoscope colors, that cover me, all I need
Every breath that I breath, don't you know you're
beautiful
Yeah, yeah

When the waves are flooding the shore
And I can't find my way home anymore
That's when I, I, I look at you
I look at you, yeah, oh
You appear just like a dream to me...
