I'm more than just your average girl  
I like to turn me up and show the world  
Aw yeah  
'Cause some can talk the talk  
But this girl just wants to rock  
I'm individual  
I'm not like anyone

I can be glamorous  
Just like you see in all the magazines  
I can be cool as ice  
Or anything I wanna be  
Wooo

Who said, who said  
I can't be Superman  
I say, I say  
That I know I can  
Who said, who said  
I won't be president  
I say, I say  
You ain't seen nothin' yet

Oh yeah  
Yeah  
Go on and make some noise  
Every girl has her choice  
To lead their own parade  
I do it my way  
Ow

I can be soft and sweet  
Or louder than the radio  
I can be sophisticated  
Or totally go... outta control  
Wooo

Who said, who said  
I can't be Superman  
I say, I say  
That I know I can  
Who said, who said

I'm not electrified  
I say, I say

There's no holdin' back  
Stayin' right on track  
'Cause you control the game  
So let 'em know your name  
No limitations on imagination  
Imagine that  
Yeah

Who said, who said  
I can't be worldwide  
I say, I say  
Time is on my side

Who said, who said  
I can't be 10 feet tall  
I say, I say  
That I can have it all

Who said, who said  
I can't be Superman  
I say, I say  
That I know I can  
Who said, who said  
I won't be president  
I say, I say  
You ain't seen nothin' yet  
You ain't seen nothin' yet  
Whoa  
Yeah  
Who said  
C'mon  
Yeah  
That's right
