Miley:

I didn't want to listen to what you were saying  
I thought that I knew all I need to know  
I didn't realize that somewhere inside me  
I knew you were right but I couldn't say so  
I can take care of myself, yeah,  
You taught me well

Chorus:

I learned from you that I do not crumble  
I learned that strength is something you choose  
All of the reasons you keep on believing  
There is no question  
That's a lesson  
I learned from you

Billy:

We always don't agree on what is the best way  
To get to the place that we're going from here  
But I can really trust you and give you the distance  
To make your decision without any fear

Both:

I'm grateful for all the times  
You opened my eyes

Chorus:

I learned from you  
That I do not crumble  
I learned that strength is something you choose  
All of the reasons to keep on believing  
There is no question  
That's a lesson  
I learned from you

Both:

You taught me to stand on my own

Miley:

And I thank you for that

Both:

You saved me you made me  
And now that I'm looking back

Miley:  
I can say woao ya  
HmMMM HmMMM Yeah!

Chorus:  
I learned from you  
That I do not crumble  
I learned that strength is something you choose  
All of the reasons to keep on believing  
There is no question  
That's a lesson  
I learned from you

Miley:  
I learned from you

Both:  
I learned that strenght is something you choose  
All of the reasons to keep on believing  
There is no question that's a lesson  
I learned from you
