You are my fire,
The one desire,
believe when I say,
that I want it that fuckin' way

Are we both two worlds apart,
I won't reach to your heart,
and I'll say,
I'll have it my way,

Tell me why,
Aint nothing but a heart ache
Tell me why
Aint nothing but a mistake
Tell me why
I don't ever what to hear you say
That I want it that way

Am I your fire,
the one desire,
believe when I say that I want it that way

(chorus)
Now that I see that were falling apart,
From the way that it's meant to be YEAH YEAH
No matter the difference i shot you,you whore
and it is deep inside of me
